Transformation of the Arctic Region

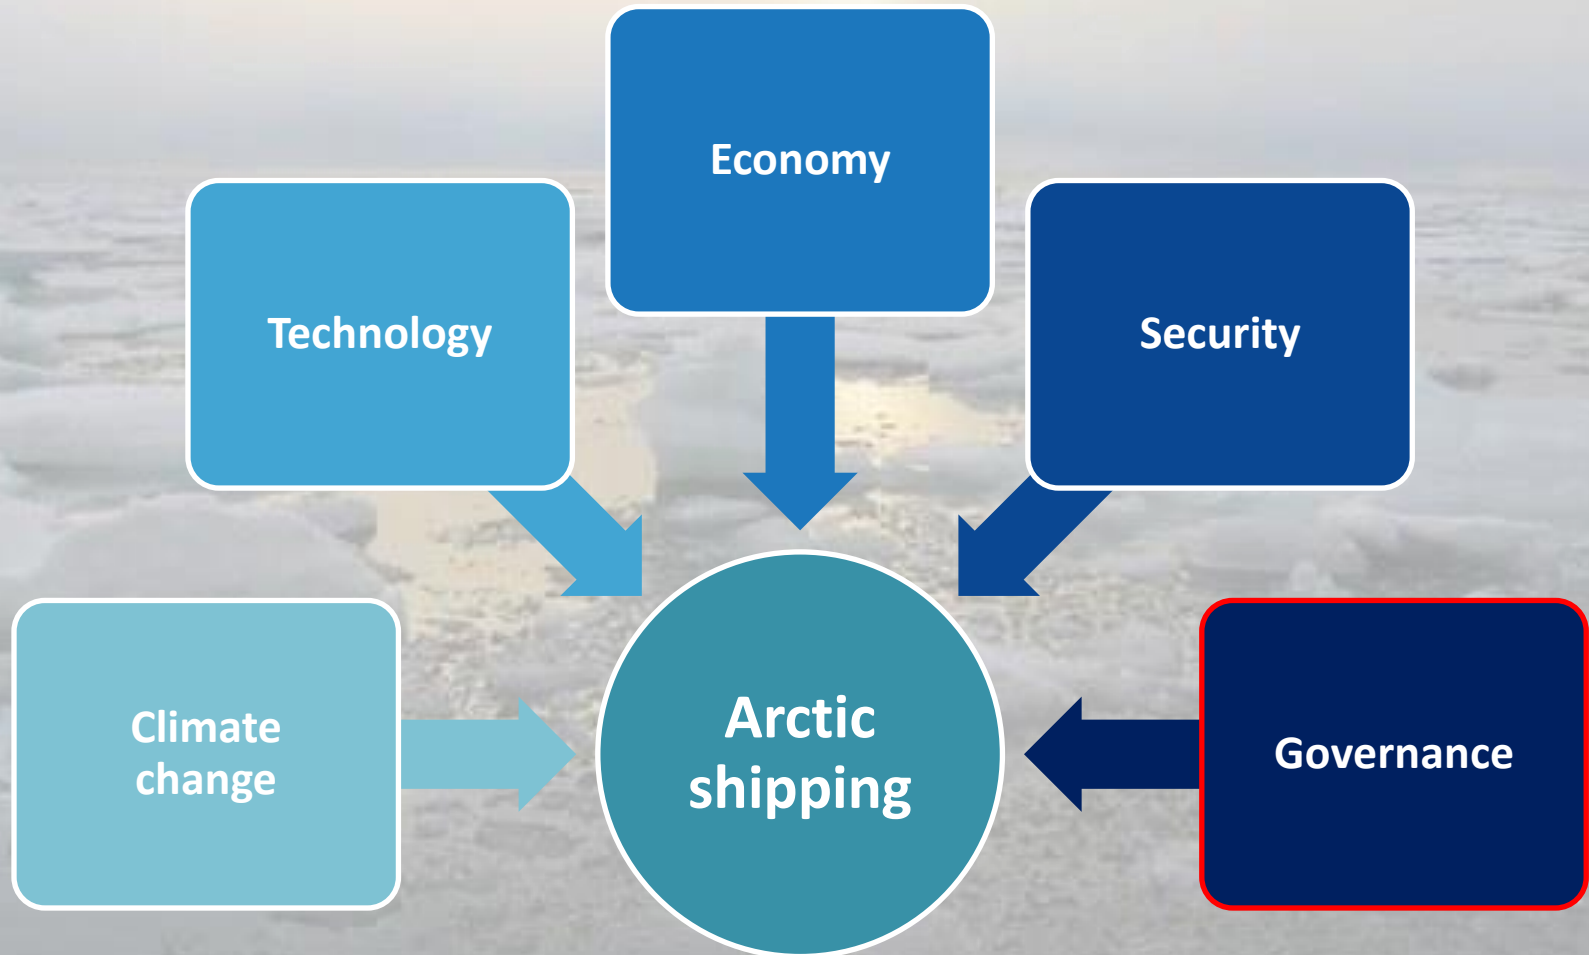

Maritime Regionalism Concept

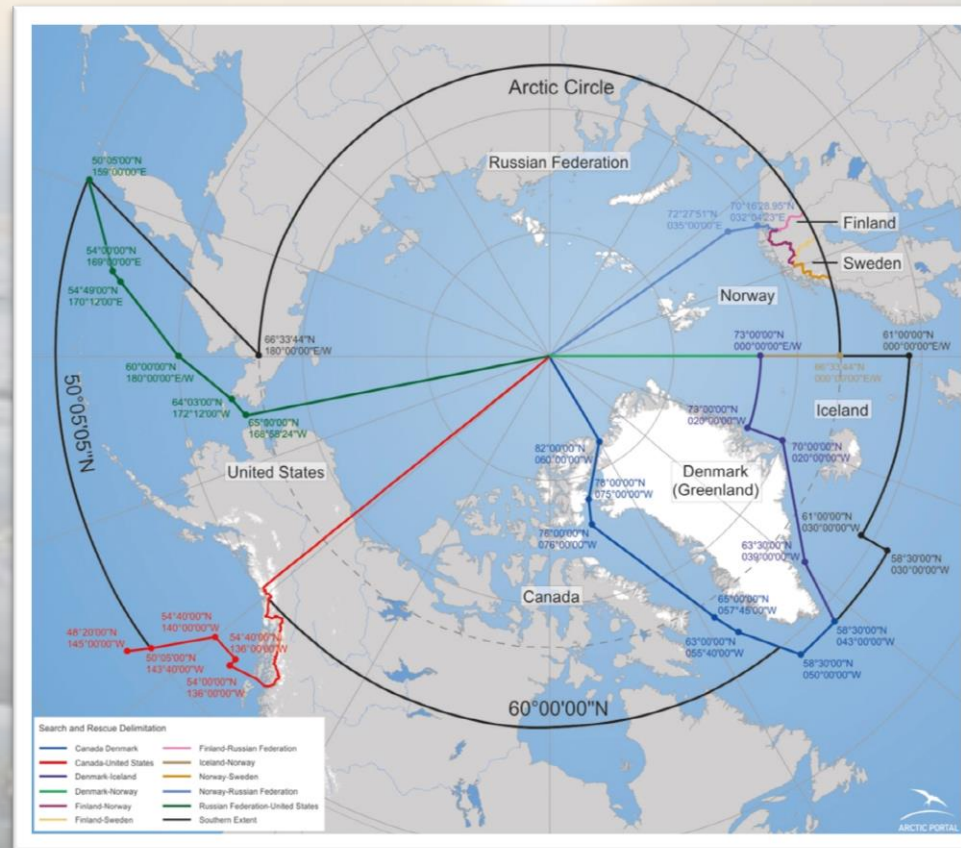

Maritime Regions ...

- ‘geographical stages’ for marine policy regimes
- ‘sets of agreements among a defined group of actors specifying:
 1. *the distribution of power and authority for the marine geographical region;*
 2. *a system of rights and obligations for the members of the group;*
 3. *a body of rules and regulations that are supposed to govern the behaviour of members’*

Development of the Arctic shipping in mid-term perspective: drivers

Arctic as Maritime Region: regional shipping governance framework

Agreement on Cooperation on Aeronautical and Maritime Search and Rescue in the Arctic

Thank you 😊
