

## CALL FOR PAPERS

### Joint NS-RSA and ESPON-NORBA Scientific Seminar

# Nordic and Baltic Regions in a European Development and Policy Context

March 14<sup>th</sup>–March 15<sup>th</sup>, 2012  
in Oslo, Norway

Initiated by

**The Nordic Section of European  
Regional Science Association (NS-RSA;  
The 2<sup>nd</sup> Nordic Winter Conference)  
and  
Nordic-Baltic Dialogues on  
Transnational Perspectives on Spatial  
Planning (NORBA; A networking  
project within the ESPON 2013  
Programme)**

### **BACKGROUND AND SCOPE**

Transnational perspectives are increasingly encouraged in territorial policy and research, partly influenced by processes of Europeanization. The Baltic and Nordic regions are facing many similar challenges, against the background of rather different framework conditions,

however. Correspondingly, Baltic and Nordic regional and territorial research is faced with questions regarding the fruitfulness and transferability of basic concepts, results and insights derived from different contexts and perspectives.

The mission of the ESPON 2013 Programme (European Observation Network for Territorial Development and Cohesion) is to (1) provide comparable information, evidence, analyses and scenarios on European territorial dynamics and (2) reveal territorial capital and potentials for development of regions and larger territories. <http://www.espon.eu/>.

The seminar calls for papers of direct or indirect relevance to the discussion of aspects of the issues stated above.

Main topics (partly addressed by keynote speakers to be announced later):

- *Prevailing territorial trends, perspectives and challenges in the Baltic/Nordic regions; confronting ESPON and national evidence*
- *Structural impacts of the financial crises and its aftermath on Baltic/Nordic regions; “creative destruction”?*
- *The fruitfulness of EU and ESPON spatial research and policy concepts as applied to specific Baltic/Nordic regions and different territorial levels*
- *Vulnerability and resilience of Baltic/Nordic regions to major global/external trends (economic, environmental, political); problems of measurement and relevance of ESPON results*

General topics of interest include (but are not limited to):

- Regional economic development
- Rural and local development
- Attractiveness of regions and cities
- Demographic and migratory flows
- Climate change and the territories
- Territorial scenarios and visions
- Land use and spatial development

- Entrepreneurship, knowledge, innovation
- Implications of energy poverty
- Territorial Cooperation
- Infrastructure and accessibility
- Greener economy
- Territorial governance
- Public policy and finance
- Social and cultural capital
- Modelling spatial development

## **PARTICIPANTS**

The seminar is open for Baltic, Nordic and international participants from universities, research institutions, government agencies, organisations, and others with an interest in regional development in the Nordic and Baltic regions

## **COSTS FOR PARTICIPANTS**

Lunch for registered participants is paid by the organisers. Accommodation and travel costs to and from Oslo are paid by each participant individually.

## **VENUE**

### **Oslo Innovation Center**

("Forskningsparken") close to the University of Oslo, Blindern

<http://www.forskningsparken.no/English-version/>

## **IMPORTANT DATES**

*January, 8<sup>th</sup>*: Preliminary registration of paper title and seminar attendance

*January, 20<sup>th</sup>*: Deadline for abstract submission

*February, 10<sup>th</sup>*: Notification of acceptance

*March 14<sup>th</sup>–March 15<sup>st</sup>*: Seminar

## **PUBLICATION**

Selected papers will be published as seminar proceedings/in seminar report

## **ORGANISING COMMITTEE**

Senior Researcher Steinar Johansen (NIBR, Norway), NS-RSA

Research Director Olaf Foss (NIBR, Norway), ESPON-NORBA

## **CONTACT DETAILS**

Steinar Johansen (NIBR, Norway):

E-mail: [steinar.johansen@nibr.no](mailto:steinar.johansen@nibr.no)

Phone: +47 22958933

Olaf Foss (NIBR, Norway):

E-mail: [olaf.foss@nibr.no](mailto:olaf.foss@nibr.no)

Phone: +47 22958944

## **REGISTRATION AND FURTHER INFORMATION**

Information will be made available and updated continuously at [www.nibr.no](http://www.nibr.no) and at <http://www.rha.is/norba/forsida/>

Registration to: Frida Tømmerdal, NIBR, e-mail: [frida.tommerdal@nibr.no](mailto:frida.tommerdal@nibr.no)
